MASTER CONTRACT

I. Recognition and Purpose

- A. The Board of Trustees of School District 13 (hereinafter referred to as the Board) recognizes the Council Education Association (hereinafter referred to as the Association) as the sole and exclusive negotiating agent for all certificated personnel (hereinafter referred to as employees). All administrators, including Superintendent, Principals, and Supervisors will be excluded.
- B. The provisions of this agreement shall apply to all employees covered by this agreement without discrimination.
- C. The Board and Association agree to meet and negotiate in good faith on all matters relating to wages, fringe benefits, Association rights, teacher protections, leaves, grievances, Sick Leave Bank, and negotiation procedures.
- D. Negotiations shall begin no later than February of each year and end no later than May 20th of the same year. If agreement has not been reached, the parties agree to statutory provisions for impasse resolution.
- E. Negotiations may be re-opened at any time during the school year if both the district and the CEA agree that conditions warrant such opening.

II. Rights

- A. Board Rights
The Association recognizes that the Board has responsibility and authority to manage and direct, on behalf of the public, all of the operations and activities of the School District to the full extent authorized by law.
- B. Teacher Rights
No employee shall be disciplined, reprimanded, reduced in rank or compensation, non-renewed, dismissed, terminated or deprived of any professional advantage without just cause and due process.

All teacher evaluations shall be done in accordance with the Danielson model as adopted by the Idaho State Board of Education.
- C. Association Rights
The Council Education Association (CEA) shall have the privilege of using a room in the school building for meetings. This privilege shall be in effect until otherwise stated by the Board.

The CEA shall be allowed to hold meetings only before or after normal student hours.

The CEA shall have the right to post notices of activities and meetings on teachers' room bulletin boards.

The CEA shall have the right to use school computers to contact members.

III. Grievance Procedure

For the purpose of this Agreement, a grievance shall be a written statement by a teacher that a disagreement exists over the application of the term or terms of the Agreement between the Association and the Board and Board Policy. All grievances shall contain a concise statement of the disagreement and the contract provision(s) which is/are alleged violated.

Every effort shall be made to settle grievances at the lowest possible level of the grievance procedure.

Step 1 - An aggrieved teacher shall promptly attempt to resolve the grievance informally between the teacher and his or her principal or immediate supervisor.

If the grievance is not resolved informally, it shall be reduced to writing by the teacher who shall submit it to the principal. If a teacher does not submit his grievance to the principal in writing in accordance with Step 1 within fifteen (15) days after the facts upon which the grievance is based first occur, the grievance will be deemed waived.

The principal will reply in writing to the teacher with a copy to the Association within five (5) school days after receipt of the written grievance.

Step 2 - If the grievance is not settled in Step 1 and the teacher wishes to appeal the grievance to Step 2, the teacher may file the grievance in writing to the Superintendent of Schools within ten (10) school days after receipt of the principal's written answer. The written grievance shall give a clear and concise statement of the alleged grievance including the fact upon which the grievance is based, the issues involved, the agreement provisions involved, and the relief sought. The Superintendent or his representative shall thoroughly review the grievance, arrange for necessary discussions, and give a written answer to the teacher no later than ten (10) school days after receipt of the written grievance.

Step 3 - If the grievance is not settled at Step 2, the teacher may within five (5) days after a decision by the Superintendent, refer the grievance to the Board of Trustees through the Superintendent. The Board will then at their next meeting hear the grievance. Neither party shall be permitted to assert in the proceedings any evidence which was not submitted to the other party before the completion of Step 2 meetings. The Board may uphold, modify or overturn the ruling of the Superintendent.

Upon conclusion of the hearing, the Board will have six (6) days to provide its written decision to the grievant. The Board will attempt to hear grievance outside of school hours. If the Board finds it necessary to hear a grievance during school hours, the grievant and necessary witnesses shall suffer no loss of pay for attendance at the Board's hearing.

Each party shall bear all costs of producing their own witnesses, preparation of exhibits and other materials to include the production of a record or transcript of the preceding unless such record or transcript is desired by both parties.

IV. Leaves

A. Sick Leave

1. At the beginning of each school year, each professional employee shall be credited with nine (9) days of sick leave allowance.
2. Professional employees employed on a part-time basis or for part of a school year shall receive a prorated portion of the annual sick leave.
3. The unused portion of such allowance will accumulate from year to year up to 300 days to be used as sick leave days. Absences will be handled according to Board policy.
4. Sick leave is to be used for absences caused by personal illness, accident, or circumstances which render the employee incapable of carrying on his/her teaching duties, including childbearing.
5. Professional employees shall be allowed to use sick leave when such absence is due to illness of a member of the individual's immediate family. Immediate family shall be defined as a grandparent, spouse, parents, brother, sister, children, grandchildren, and spouse's immediate family. Other cases may be negotiated with the Superintendent.

B. Sick Leave Bank

All certificated employees of the Council School District who are eligible for health insurance may participate in the Sick Leave Bank. To participate, each new employee shall contribute one of his earned sick leave days. For each single day or one-half day contributed by each member, the School District shall add the same. The contributed sick leave days shall form a fund that will be available to all eligible participating employees upon recommendation of the Sick Leave Bank Committee for the purpose of alleviating the hardships caused by absence from work necessitated by extended or recurring serious illness extending beyond the employee's accumulated sick leave.

The Sick Leave Bank Committee shall consist of the following members:

1. Two (2) members appointed by the Council Education Association.
2. One (1) member appointed by the District.
3. The two Association Sick Leave Bank Committee members must be Sick Leave Bank members. The District's representative must be a Bank member. At least one representative of the District and one representative of the Association shall be present in order for the Committee to consider application for grants or conduct other business.

The Sick Leave Bank Committee shall determine the number of sick leave days each participant must contribute in order to keep the Bank solvent with the following limitations:

1. Each participant must contribute the same number of days.
2. All contributions must be whole or half days.
3. The maximum number of days in the Sick Leave Bank shall not exceed 120 days in any school year July 1 to June 30, except when new professional employees enter employment with the District.

In order for an employee to be eligible to apply for sick leave benefits from the Sick Leave Bank, the employee must first:

1. Be a contributor to the Bank.
2. Have been absent from work due to illness or accident for:
 - a. all his/her accumulated sick leave days, and
 - b. all of his/her personal leave days.

Written application for use of the Bank will be submitted to the Sick Leave Bank Committee prior to or within ten (10) days from the date the applicant returns to the District to resume his or her assignment. If the applicant is incapacitated to such an extent that he or she cannot personally apply for a grant, the applicant's immediate supervisor or immediate family may apply for the grant. All applications for grants from the Bank should be sent to:

Sick Leave Bank Committee
c/o Clerk
Council School District #13
Council, ID 83612

The Committee may require a doctor's written statement as to the nature of the illness at the time of application and from time to time after a grant has been made.

The Committee shall review the request and determine the eligibility of the employee. The Sick Leave Bank Committee will respond within two (2) weeks to each application for a grant in writing and in the event the application is denied, will state the reason(s) for such denial. The Committee shall be the authority to make final decisions within the established guidelines as to the disposition of the case.

The maximum number of work days that can be granted to an eligible participant is thirty (30) days/school year (July 1 - June 30). This requirement may be extended an additional thirty (30) days in the event of extenuating circumstances. In no case shall an employee be granted more than sixty (60) days per year.

Maternity leave from the Sick Leave Bank will be for six (6) weeks total (except in extenuating circumstances) including all leave days the employee may have at the time of application to the Sick Leave Bank.

Bank grants to individual employees will not be carried over from one fiscal year to the next; all such grants will end at the termination of the school year. If an employee does not use all of the days granted by the Bank, the unused sick leave days will be returned to the Bank. In no case shall an employee be granted more than a total of 180 days from the Sick Leave Bank for all illnesses or disabilities during employment with the District.

If the Sick Leave Bank is exhausted during a fiscal year, additional days may be added upon the vote of the members. The district may contribute a like number of days.

A Sick Leave Bank member may withdraw his membership at any time by submitting a written request to the Sick Leave Bank Committee. A member may not withdraw those days of sick leave already given.

If workmen's compensation pays the employee's lost salary, the employee will not be eligible to utilize the Sick Leave Bank.

The District shall add 15 days to the bank each year until the bank has a minimum of fifty (50) days, starting with the 2022-2023 school year.

C. Personal Leave

Personal leave shall be granted to the professional employee at the rate of three (3) days per year with the cost of a substitute teacher being borne by the District and two (2) days with the cost of a substitute being borne by the teacher. The cost borne by the teacher will be that of a certified substitute.

1. A written request for personal leave is required not less than two (2) days prior to the day of leave taking when possible.

2. Institutional needs have priority over elective leave taking. Leave taking will be at the discretion of the building principal. Those days on which other teachers are absent, days immediately before or after a holiday, and in-service days will not be allowed as personal leave days.
